

# CAPABILITIES STATEMENT

## CORPORATE DATA

DUNS: 789021768

CAGE Code: 4M6R6

### Certifications:

CVE SDVOSB

SBA 8(a)

### NAICS Codes:

541330 - Engineering Services

541511 – Custom Computer Programming Services

541512 – Computer Systems Design Services

541513 - Computer Facilities Management Services

238110 – Concrete

238210 – Wiring and Cabling

238910 - Site Preparation

541990 - All Other Professional, Scientific, and Technical Services

541611 - Administrative Management and General Management Consulting

## POINTS OF CONTACT

James Crowell

## ADDRESS

134 Peyton St STE 134 D, Front Royal, VA 22630  
571-969-4065  
http://www.quecon.com

Quecon, Inc. specializes in cyber security, IT and systems engineering, technical consulting, program management.

Quecon provides Subject Matter Expertise in the following areas:

- Cyber Security
- IT Systems Engineering
- Cabling and Wiring Installation/Removal
- Information Assurance
- Installation support and Site Preparation

## CORE COMPETENCIES

### Cyber Security

- Risk Assessment
- Security Policy and Procedures
- Design and Planning
- System Certification and Accreditation
- Continuous Monitoring
- Exercise Planning
- Information Assurance
- Penetration testing
- Policy Support

### IT Systems Engineering

- Software development
- Data Analytics
- System Design and Maintenance
- Enterprise Architecture
- Mission Needs Analysis
- System Architecture Design
- Software Development
- Wiring and Cable Installation Services
- Site Surveys

### Program Management Support

- Administrative Support
- Meeting and Conference Planning
- Financial Management Planning
- Project Tracking and Scheduling

### Consulting

- Flight Data
- Defense Systems Data Integration
- Continuity of Operations Planning

### Engineering Services

- Emergency Command and Control Networks
- Site Preparation
- Site Surveys
- Decommissioning
- Telecommunications Network Engineering
- Telecommunications Installation

## PAST PERFORMANCE

- FAA eFAST 693KA9-18-A-00177
- FAA Cybersecurity Risk Model (CyRM) Support
- FAA Enterprise Programs, Infrastructure, and Communications Services (EPICS) Support Services
- FAA Systems Engineering 2025, NextGen Enterprise Engineering Support
- FAA Communications Information and Network Programs (CINP)
- FAA DTFAWA-15-D-00024 FAA Command & Control Communications (C3) DTFAWA-10-A-00213
- FAA Command & Control Communications (C3) DTFAWA-05-C-00002
- FAA WARP Satellite Dish Removal DTFAEN-16-P-00274

## WHY CHOOSE QUECON?

- The Quecon team has extensive Federal Government experience and understands the management, organization, and policies of the Federal Government
- Extensive experience working in mission critical environments
- We provide Subject Matter Experts with extensive experience the aviation industry
- Extensive SME experience in systems engineering
- Actively work with large and small companies in our areas of expertise for teaming opportunities
