

CAPABILITIES STATEMENT

ABOUT US

Quecon has been supporting the Federal Government since 2015 in program and project management, systems engineering, cybersecurity, and technical consulting. Our mission is to provide high quality support on a consistent basis, and to demonstrate a best value scenario for our customers. Quecon is a CVE verified Service-Disabled Veteran-Owned Small Business (SDVOSB) and certified SBA 8(a) company.

WHY QUECON?

- Quecon has extensive experience with and understands the management, organization, and policies of the Federal Government
- Extensive experience working in mission critical environments
- Extensive SME experience in systems engineering and cybersecurity
